Overview

A contemporary interpretation of a classic style for fine dining and clubs. Deluxe 2" foam padded seat.

Frames are manufactured to the highest contract standards from European Beech hardwood. Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

Legs are fitted with rubber cushioned, plated steel-based glides for ease of quiet movement on all flooring surfaces.

100% water-based stain and urethane topcoat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and recognized for meeting the highest standards for environmental friendliness. Choose from our standard DPC Wood Finishes or we can custom match for an upcharge.

Features

Rubber cushioned, plated steel-based glides for ease of quiet movement on all flooring surfaces.
