

Laminate Top (LT) Rectangular

Overview

Laminate tops are constructed of 5/8" plywood, sanded smooth without voids and patches. .050" thick high pressure laminate on top as well as underside.

The locking mechanism snaps into a locked position when table legs are fully extended. Legs made from 1 1/2" square, 20 gauge steel tubing. Leg assembly secured to the angle iron rails with 1/4" steel rivets.

Features

All metal parts are black powder coated.

Metal glide caps standard.

Please select Edging: Vinyl Edge or Crimped Aluminum Edge.
