Overview

Classic traditional style for senior living and restaurant dining.

Deluxe 2 1/2" foam padded seats provide seating comfort.

Frames are manufactured to highest contract standards from European Beach hardwood. Frame joints feature double dowelled or mortised and tenoned construction. Critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

100% water based stain and urethane top coat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standard for environmental friendliness. DPC offers the selection of 11 standard wood Finishes.

Features

Legs fitted with rubber cushioned, plated steel based glides for ease of quiet movement on all flooring surfaces.
