Overview

Classic traditional style for senior living and restaurant dining. Seat cushioning features 2” high density foam over sinuous springs for high comfort and longevity in contract use.

Frames are manufactured to highest contract standards from European Beach hardwood. Frame joints feature double dowelled or mortised and tenoned construction. Critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

100% water-based stain and urethane topcoat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standard for environmental friendliness. DPC offers the selection of 12 Standard DPC Wood Finishes.

Side chair to match: 8246

Features

Legs fitted with rubber cushioned, plated steel-based glides for ease of quiet movement on all flooring surfaces.
