

6222-MB

Overview

The Model 6222 features a loose reversible back cushion with 3" of foam wrapped in Dacron to create a soft comfort feeling. The seat cushion has a sewn box seat top and bottom and are reversible for longer life. The seat cushion have 5" of luxurious foam, covered with a layer of Dacron to create a pillow type comfort feel.

The internal assembly uses premium glue, stainless steel staples, and threaded fasteners. Model 6222 is constructed using 3/4" furniture-grade plywood. Seat suspension features sinuous springs of 8-gauge hardened steel with 16-gauge cross brace wires.

6222 is available with a wood or metal base, use suffix -WB for Wood Base and -MB for Metal Base. The wood base is available in Standard DPC wood stains. The metal base is available in Standard DPC metal powder coats.
