6724

Overview

The 6724 features an upholstered tight seat and back.

The internal assembly uses premium glue, stainless steel staples, and threaded fasteners. The 6724 is constructed using 3/4" furniture-grade plywood. Seat suspension features sinuous springs of 8-gauge hardened steel with 16-gauge cross brace wires. Tight back suspension features sinuous springs of 11-gauge harden steel with 16-gauge cross brace wires.

Exposed finished wood legs can be stained in any of our Standard DPC Wood finishes. Custom matching is available at an upcharge.

Features

* Inset photos show optional Nail Head Trim
