Overview

Style 8283 features deluxe foam padded seat over springs and fully upholstered back for maximum comfort in lounge use and in today's bar height dining. Frames are manufactured to highest contact standards from European Beech hardwood. Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are fully strengthened with screw and lag bolt fastened corner blocks where design allows.

100 % water-based stain and urethane topcoat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standards for environmental friendliness. DPC offers the selections of standard wood Finishes.

Features

Legs are fitted with rubber cushioned, plated steel-based glides for ease of quiet movement on all flooring surfaces.
