Overview

Classic traditional style for senior living and restaurant dining. Seat cushioning features 2" high density foam over sinuous springs for high comfort and longevity in contract use.

Frames are manufactured to highest contract standards from European Beech hardwood. Frame joints feature double dowelled or mortised and tenoned construction. Critical legs joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

100% water-based stain and urethane topcoat finishes meet both the tough requirements of the lodging and food industry as well as being truly GREEN and are recognized for meeting the highest standard for environmental friendliness.

Features
