

DPC
DANIEL PAUL
C H A I R S

4115

Overview

A contemporary design with a dash of tradition in the beech wood frame. The perfect chair for sophisticated dining at free standing tables or on the aisle side of linear tables used along a wall booth. Deluxe 1 1/2" seat.

Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

100% water-based stain and urethane topcoat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standards for environmental friendliness. DPC offers the selection of 11 standard DPC Wood Finishes.

Features

Rubber cushioned glides to facilitate easy movement on all floor surfaces.

Double dowelled or mortised and tenoned construction.
