Overview

Reminiscent of another era, the Style 7006 side chair features an all Beech wooden frame with bentwood accent. Foam padded seat and back provides ample seating comfort. Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

Legs are fitted with rubber cushioned, plated steel based glides for ease of quiet movement on all flooring surfaces.

100% water based stain and urethane top coat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standards for environmental friendliness. DPC offers the selection of 11 standard wood Finishes.

Features

Large rubber cushion glides.

Bentwood seat rim and back post.

Foam padded seat.
