Overview

The perfect chair for lounges, lobbies or other waiting areas. With the finished wood top back and upholstered inset arms, this style invites one to enjoy the comfort of 2" deluxe foam seating.

Frames are manufactured to highest contract standards from European Beech hardwood. Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

Legs are fitted with rubber cushioned, plated steel-based glides for ease of quiet movement on all flooring surfaces.

100% water-based stain and urethane topcoat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standards for environmental friendliness. DPC offers the selection of 12 Standard DPC Wood Finishes.
