### Overview

A traditional chair for fine dining. The sculptured frame is reminiscent of the grandeur of another era and lends elegance to club and fine dining settings. Matching side chair is Style #8186. Deluxe thick foam over springs provides comfort at the level commensurate with the elegance of the design.

Frames are manufactured to highest contract standards from European Beech hardwood. Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

100% water based stain and urethane top coat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standards for environmental friendliness. DPC offers the selection of 11 standard wood **Finishes**.

### Features

Rubber cushioned glides to facilitate easy movement on all floor surfaces.

Double dowelled or mortised and tenoned construction.
