Overview

Designed for contemporary hospitality this wood frame collection provides dining comfort with open air ambiance. Deluxe 2" foam seat.

Frames are manufactured to highest contract standards from European Beech hardwood. Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

Legs are fitted with rubber cushioned, plated steel based glides for ease of quiet movement on all flooring surfaces.

100% water based stain and urethane top coat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standards for environmental friendliness. DPC offers the selection of 11 standard wood **Finishes**.

Features
