

8212-LC

Overview

Style 8212-LC makes a statement both visually and in seating comfort. The perfect chair for lobbies, accent areas and guest suites.

The beech hardwood frame is available in 11 standard finishes. Custom match stain available at an upcharge. Leg stretchers and corner block construction make the chair very suitable for heavily used public spaces.

Seat features multi-layer 3 inches of deluxe foam over sinuous springs for ultimate comfort and durability. Nine buttons accent the front of the back.

Features

DPC offers 11 standard wood Finishes.
