Overview

A clean but elegant interpretation of a classic design. Perfect as an accent chair in lobbies, hallways or when used in upscale dining.

Executed in northern European beach wood the 8231 chair makes a statement in any setting. Finish options are available to accent room décor.

Deluxe foam padded seat provides extended seating comfort. Welt piping frames the back upholstery, both on the front and outside back, highlighting your selection of upholstery fabrics. Rubber cushioned plated steel leg glides serve on all flooring surfaces.

Choose from our DPC wood finishes.
