Overview

A design to serve and add elegance to sophisticated club and fine dining facilities. The inviting look of comfort is realized with deluxe 2" foam padding over springs thus enhancing one's dining experience. To complete a fine installation consider the matching arm chair Style #7120 and bar stool Style #7123.

Frames are manufactured to highest contract standards from European Beech hardwood. Frame joints feature double dowelled or mortised and tenoned construction and critical leg joints are further strengthened with screw and lag bolt fastened corner blocks where design allows.

100% water based stain and urethane top coat finishes meet both the tough requirements of the lodging and food service industry as well as being truly GREEN and are recognized for meeting the highest standards for environmental friendliness. DPC offers the selection of 11 standard wood Finishes.
